DO No. 14.33.3330.021.25.078.23

Date: 13.10.2019

Dear Participant,

I would like to take the opportunity to congratulate you for being nominated in the 70th Foundation Training Course (FTC) scheduled from 27 October 2019 to 26 April 2020 at Telecommunications Staff College (TSC), Gazipur. Telecommunications Staff College, established in 1986 on a land of 81 Acre is situated 35 km away from capital city Dhaka. The big campus with natural greenery, modern residential facility, big play ground and well equipped classroom with modern facilities have made TSC an ideal institution for training and learning.

- 2.0** It's my pleasure to welcome you as a participant in this course. I am confident that you will find Telecommunications Staff College as your second home. TSC provides its participants knowledge, skill and necessary attitude that you need to prepare yourself to become tomorrow's leader.
- 3.0** Foundation training is an intensive and rigorous training. FTC will make you capable to work in stressful environment, in conflict resolution, acting smartly through effective negotiation and lead a team to get things done within minimum time. This training will also help to develop human norms/humanity, to be kind and practice values/ethics/morality and above all it will make you a good human being. There will be a two-month long field attachment including 7 days BARD/RDA attachment for completing a module on "Poverty Reduction and Rural Development". Upon successful completion of six-month long training course at TSC, you will receive the successful completion certificate of FTC.
- 4.0** FTC is a residential course and all participants will mandatorily stay at dormitory. So you have to attend rigorous training activities throughout weekdays and weekends, beyond office hours and even at night. Plenty of group works, individual assignments, written examinations, workshops and seminar paper preparation & presentation along with different committee activities will make your time very effective at TSC. You will have to interact with team members to complete the group and individual assignments and it will create the scope of interaction among the participants of different cadres. Apart from these, you have to make presentation before participants, faculty members and also Guest Speakers.
- 5.0** During your stay at TSC, you have to follow the strict rules and regulations. Any case of misconduct will be strictly handled and concerned participant shall be released from the training course. There will be no alternatives left to TSC but to write the authority to start disciplinary action against the participant in the case of major violation of norms of Foundation Training and/or TSC. You should keep in mind that positive attitude, mental readiness and the mentality to cope with the training load and stress is a precondition to participate in this intensive and rigorous foundation training course. However, we will advise you not to be worried, we believe you will be able to successfully complete the training course and we are always with you to extend our support.

6.0 I would like to provide you certain useful information which are related to the Foundation Training course during your stay at TSC.
